## Allon White Sports Cars Stock List – 13th May 2022

### New Morgans

We can normally supply any new Morgan within 6 – 9 months (and sometimes quicker!). If you would like further information or wish to arrange a test drive in one of the latest demonstrators, then please do not hesitate to ask. We can also arrange visits to the Morgan Factory if you would like to see these unique hand-built cars being made.

## Other Makes

**Lotus Elan S4 Convertible    Yellow    £33,000**  
 1970, Black Ambla Interior, Wooden Dashboard, Wooden Gear Knob, Colin Chapman Steering Wheel, Electric Windows, Eared Spinners, Black PVC Hood, Black PVC Tonneau, Fire Extinguisher, Cut Out Switch, Rebuilt Engine in 2020, New Fuel Tank, Recent Brake Servo. Only 3 owners. It was laid up in a heated garage in 1984 and recommissioned in 2020. The following work was carried out at this time to return the car to a useable condition, but keeping the originality as far as possible: The engine and Stromberg carburettors were rebuilt, New clutch plate and clutch / brake cylinders, New uprated core radiator, New hood, New carpets, Refurbished the wheels and fitted new tyres. The car is incredibly original from the chassis to the correct stickers in the engine bay and on the rear parcel shelf. 90% of the paintwork is original, there are flaws in the paintwork (no blistering) but presents well. Most of the interior again is original, with the correct seat belts and dashboard (wooden fuse plate supplied). Most examples at this age have received varying degrees of restoration, this is maybe, one of those rare unrestored examples that is better kept as it is but in a usable condition.

## Preparation of our cars

Our standards are high, and all pre-owned cars have a thorough 'pre-sales' check in our workshop. This check typically takes about 3 hours and provides us with a complete picture of a car, its good points and any areas needing attention.

Before handing over a car to its new owner it is serviced as required and any points identified in the pre-sales check as needing attention are addressed. A 12 month MOT (where applicable) is also provided.

For additional peace of mind, we also HPI check our cars and all used cars sold for use within the UK come with a comprehensive 3 month warranty.
