Used Morgans

Morgan 4/4 4-Seater Corsa Red A442 RUM £15,995

1984, Black Interior with Leather Seats Interior, Roll Bar, Scuttle Roll Bar, Wire Wheels, 3 Point Rear seat Belts, Pleated Rear Seat, Fibreglass Front and Rear Wings, Door Handles, Union Jack Badges, Isolator switch, Black PVC Hood. 1.6 CVH, 5 speed 4-seater an ideal introduction into Morgan ownership. Although the car is sound and presents well. There is some deterioration which is not immediately obvious, in the under-door rockers on both sides, the rest of the wood frame is good. The price of the car reflects this. Affectionately known as Red Rum, we have known this 1.6 CVH, 5 speed 4 seater since 1997. The chap at the time sprinted and hill climbed the car and contacted us about selling it after it featured in a Practical Classics article we were involved with. We sold the car locally to a customer who has owned the car since that date. Although used as a daily driver for a good number of years. He now lives overseas and the car was laid up for about 10 years until recently, we have now gone through and recommissioned Red Rum for regular use again. We have changed the timing belt, water pump, Brake calipers, rear brake cylinders, fuel system clean, fuel pump, various electrics and popped the car through a fresh MOT. 130,087 Miles

Preparation of our cars

Our standards are high, and all pre-owned cars have a thorough 'pre-sales' check in our workshop. This check typically takes about 3 hours and provides us with a complete picture of a car, its good points and any areas needing attention.

Before handing over a car to its new owner it is serviced as required and any points identified in the pre-sales check as needing attention are addressed. A 12-month MOT (where applicable) is also provided.

For additional peace of mind, we also HPI check our cars and all used cars sold for use within the UK come with a comprehensive 3-month warranty.
