## Allon White Sports Cars Stock List –3rd December 2019

### New Morgans

We can normally supply any new Morgan within 6 – 9 months (and sometimes quicker!). If you would like further information or wish to arrange a test drive in one of the latest demonstrators, then please do not hesitate to ask. We can also arrange visits to the Morgan Factory if you would like to see these unique hand-built cars being made.

**NEW Morgan 3-Wheeler**                      **Choice of Colour**                      **£40,075**  
Built to your specification and typically available for delivery within 4 months. Price shown is for a car in standard specification –optional extras can be specified. Please allow for 'on the road costs' (delivery, road tax, fuel, number plates, new car registration fee) of £620.

**NEW Morgan 4/4**                              **Choice of Colour**                      **£40,205**  
Built to your specification and currently available for delivery within 3 months. Price shown is for a car in standard specification –optional extras can be specified. Please allow for 'on the road costs' (delivery, road fund licence, number plates, new car registration fee) of £585.

**NEW Morgan +4**                              **Choice of Colour**                      **£44,105**  
Built to your specification and currently available for delivery within 4 months. Price shown is for a car in standard specification –optional extras can be specified. Please allow for 'on the road costs' (delivery, road fund licence, number plates, new car registration fee) of £885.

**NEW Morgan Roadster**                      **Choice of Colour**                      **£55,075**  
Built to your specification and currently available for delivery within 3 months. Price shown is for a car in standard specification –optional extras can be specified. Please allow for 'on the road costs' (delivery, road fund licence, number plates, new car registration fee) of £1585.
