We are developing products and ideas all the time for the 3 Wheeler and much of this work is being done in association with our customers. This price list only shows the items we have been asked for, so far.

The Morgan 3 Wheeler is of course a highly individual car endowed with huge amounts of character as standard. If however you would like to personalise it still further and create something totally unique, then please talk to us about your ideas and requirements. From minor detailing to fully bespoke, complete interior retrim, we would be delighted to help turn your imagination into reality.

For leather trimmed items price is for black or tan leather. Please enquire for other colours
