**Lotus Elan +2 130/5** **Blue** **£35,500**

1973, Oatmeal Vinyl Interior, Moto Lita Steering Wheel, Wooden Dashboard, Alloys, Electric Windows, Galvanised Chassis, Solid Driveshafts, Spax Adjustable Shock Absorbers. This is a UK market, big valve cylinder head, 5 speed gearbox model. It was purchased as a project and we are restoring the car to a high useable standard. The body has been removed, and we are currently at the rolling chassis stage.

Original supplied in metallic brown (see final library picture), we can refinish the car to a customer choice of colour and trim. Please contact us to find out more about turning this car into your ideal Plus 2. The price indicated is to return the car to a very good overall mechanical condition. The car will be given a bare gel coat repaint in a standard Lotus solid or metallic paint finish to your choice (silver roof will be at extra cost); new headlining, carpets, and new interior vinyl trim, again to your choice.

**Lotus Elan S4 FHC** **BRG** **MUR 76H** **£34,995**

1969, Black Ambla Interior, Minilite Alloy Wheels, Mahogany Dashboard, Electric Windows, Original Steering Wheel, Fully rebuilt in 2014. Extensive history dating back to 1976. This Norfolk registered Elan has the original sales brochure from the period and full invoices from the rebuild. Rolling road tuned to 131bhp by Mikeanics. Simply beautiful. This is a fine fixed head coupe having only covered dry miles since the restoration. The car was subject to a very detailed and particular restoration in 2014. Colour was changed to Green at that point. The restoration included the following: New Kelvedon nylon coated chassis to 26R specification, Fully stripped body to gelcoat, full repaint in Lotus BRG, Fully overhauled steering and suspension including Kelvedon adjustable shock absorbers, trunions, links and new bushes. The 1600 cc engine was fully rebuilt by Paul Exon, with an uprated water pump. Alternator conversion. Gearbox rebuilt. Diff rebuilt and CV driveshafts by Sue Miller. Clutch completely renewed including cylinders. Part stainless exhaust. Fully overhauled and reconditioned brakes, Green stuff pads front and rear. Aeroquip brake hoses. Electric cooling fan, new hoses, expansion tank and uprated aluminium radiator. New aluminium fuel tank, filler cap hoses and lines, cables, pump and filter, refurbished Stromberg carburettors. Electronic ignition, all new ignition parts. New wiring looms, stalks and lamp units. Most of the trim was reused as it was in excellent condition, new original door seals, new headlining and carpets. New locks, window seals, dashboard and the finer items to finish off this detailed restoration. 61,966 Miles

**Triumph TR3A** **Arum White** **£29,995**

## **Preparation of our cars**

Our standards are high, and all pre-owned cars have a thorough 'pre-sales' check in our workshop. This check typically takes about 3 hours and provides us with a complete picture of a car, its good points and any areas needing attention.

Before handing over a car to its new owner it is serviced as required and any points identified in the pre-sales check as needing attention are addressed. A 12 month MOT (where applicable) is also provided.

For additional peace of mind, we also HPI check our cars and all used cars sold for use within the UK come with a comprehensive 3 month warranty.
