Although the side decals are missing the paintwork is largely believed to be original, some micro blistering and cracking but presentable. It has Dellorto carbs and is the big valve engine model. Price is as it is as an ongoing restoration project. Although MOT'd in August it will need to be trailered when collected. Please ask for more details of the items listed from our pre sales inspection. Ideal for the home mechanic or we can attend to the items below and sell the car as a normal retail car for £32,750. 63, 975 Miles

**Preparation of our cars**

Our standards are high, and all pre-owned cars have a thorough 'pre-sales' check in our workshop. This check typically takes about 3 hours and provides us with a complete picture of a car, its good points and any areas needing attention.

Before handing over a car to its new owner it is serviced as required and any points identified in the pre-sales check as needing attention are addressed. A 12 month MOT (where applicable) is also provided.

For additional peace of mind, we also HPI check our cars and all used cars sold for use within the UK come with a comprehensive 3 month warranty.
